Palm Hills, Street Lantana Merah, No. 26, Cilegon, Banten.

I am an active Software Engineering student at Telkom University, driven by a strong enthusiasm for User Interface Design and Frontend development. My adeptness in collaborative settings allows me to seamlessly contribute to group initiatives. I am enthusiastic about translating my academic proficiency into hands-on experience within the Software Engineering domain.

Education

Universitas Telkom - Bandung, Indonesia

Sep 2020 -

Bachelor Degree in Software Engineer, 3.29/4.00

- Skillfully employ Figma and Adobe Photoshop to craft visually captivating designs, effectively displaying a robust understanding of graphic design principles.
- Showcase mastery in FrontEnd Development, boasting proficiency in HTML, Flutter, and ReactJs, resulting in the creation of seamless, user-centric interfaces that contributed to an estimated 10-15% increase in user engagement and interaction.

Professional Experience
